

Douglas County Bees  
Monthly General Meeting  
October 5<sup>th</sup>, 2022

Abby's Annex in Roseburg

27 in attendance with 3 being visitors

Called to order at 6:00pm by Robert Baune

Robert welcomed the visitors and asked all in attendance if they preferred to take care of the business reports first or the election first. It was decided to take care of the business first

Beau gave the treasurer report: There is \$4,497.98 in the checking account. Expenses paid out were \$74.80 and monies taken in were \$91.69 . The Savings account remains unchanged with a balance of \$2,009.37 representing \$150.00 designated for Bee School and \$1,859.37 as Non-designated.

Beau gave the secretary updates on costs for replenishing the supplies needed for the “take away” items at the DCB booth for events. No purchases were decided as there needs to be discussions on how many shows DCB will attend in 2023 first as allocations of the “take away” items is by the number of days that DCB is at events and not by the event overall.

There are a few of the booklets/pamphlets on honey that are no longer available. And supplies are low on the card stock of “Bees of Oregon” that is very popular. A brief discussion about the Oregon Residential Guidelines book took place regarding the book or the flier that lets people know the link to go down load and print out the 18 pages of information for themselves. And the wildflower seeds and repackaging costs were discussed.

The calendar to reserve the meeting space at Abby's Annex for the General Monthly meetings and for the up-coming Bee School sessions was turned submitted to Abby's for the 2023 year. Our meeting reservations should have no problems.

Ian Fuller was awarded the OSBA Scholarship for the 2022 Annual Fall Conference.  
Ann Fuller won the dinner raffle.

Election results are as follows and all positions will take over on January 1, 2023

It has been Robert Baune's and Beau Miakinkoff's pleasure and honor to have served this organization for three years.

Beau distributed "Lovely Parting Gifts" to many members in attendance as a token of deep gratitude and appreciation of those that have helped us so much to keep Doulgas County Bees a viable organization serving all of Douglas County.

Meeting adjourned a little before 7:00pm
